

Searching for a Property's Historic Status on MERLIN Online and SDAT (State Dept. of Assessment and Taxation) Database.

Start at the opening page of MERLIN Online <http://www.mdmerlin.net/mapper.html>

The screenshot displays the MERLIN Online web application interface. At the top, the Maryland Department of Natural Resources logo is visible, along with navigation links for DNR HOME, MERLIN HOME, METADATA, and HELP. A search bar and utility links for Email Friend and print page are also present. The main map area shows Maryland with various counties labeled, including Garrett, Allegany, Washington, Frederick, Carroll, Harford, Cecil, Baltimore, Kent, Queen Anne's, Anne Arundel, Montgomery, Howard, Baltimore City, Prince George's, Talbot, Charles, Calvert, Dorchester, St. Mary's, Somerset, Wicomico, and Worcester. A Layer List panel is open on the left, showing a list of layers with checkboxes for visibility: Parcel Boundaries, Political Boundaries, CBNERR Boundaries, Tributary Strategy Basins, Watersheds, Historical Shorelines, Bay Oysters, Living Resources, and Floodplain. The interface includes navigation controls like a compass and zoom slider, and a scale bar at the bottom left showing 50 miles and 100 kilometers. The Esri logo is in the bottom right corner, and contact information for the office is provided at the very bottom.

Scroll down toward the bottom of the items of the “Layer List” and check off:

National Register of Historic Places,
MD Inventory of Historic Properties, and
Photo 2007-2008 Hi Resolution

Click on the “Locate” Button and type in the Property’s Address and Zip code:

MERLIN Online will take you to an aerial view of the property.

Sites included in the National Register of Historic Places (NRHP) are shown in purple and sites recorded in the Maryland Inventory of Historic Properties (MIHP) are shown in red.

If your property is not listed/recorded in the NRHP or MIHP, it will not be outlined in purple or red and/or fall within a larger outline of a historic district, as indicated below for 36 W. Antietam Street in Hagerstown :

To check for the date of construction for your property, start at the opening page of Maryland Department of Assessments and Taxation – Real Property Data Search
